

## SOP for Visitor Visa Canada

To  
The Visa Officer  
High Commission of Canada  
*Sub: Application requesting a Canadian Visitor Visa*  
Dear Sir/Madam,

I, Anchal Verma, hereby express my sincere thanks to you for the perusal of my application. Please allow me to introduce myself as a 35-year-old Indian citizen, currently residing in the USA on an H1B visa. I am presently working at a US firm, John Deere, as a Software Developer. This application is with regards to my intention to visit your revered country to experience its culture and heritage. Staying in the USA for the past five years now has brought out the explorer in me, and I have had the chance to visit many places in the USA throughout those five years. I now wish to explore Canada and be a part of its rich history and cultural diversity.

Canada is among the top travel destinations in the world, boasting of picturesque locations, state-of-the-art infrastructure, and above all, a vibrant multicultural environment. I want to stay in the country for a week in September 2021 and discover Ontario and British Columbia in particular. In Ontario, I am particularly eager to visit some of the top attractions such as the majestic Niagara Falls, the Art Gallery of Ontario, the Casa Loma, the Parliament Hill, and also soak in the beauty of Lake Ontario. In Vancouver, I will be visiting the famous ski resort Whistler Blackcomb, Yoho National Park, Butchart Gardens, and of course, the beautiful Vancouver Island.

After visiting Canada, I will return to the USA and resume my job. I assure you that I have no plans to settle in Canada and I will not extend my stay beyond the authorized period. My work visa is valid for another x years and upon its expiry, I will be returning to my homeland, and settle there permanently with my family. I have strong ties to my home country, which is why I will return to India ultimately. My father is a businessman, my mother is a homemaker and my sister is a Software Developer in India, and they all stay together. I want to reunite with them, and hence will be going back.

I assure you that I have gone through the eligibility criteria for international visitors and I meet the same. I have taken a week-long leave from my employer and will be rejoining the firm after returning to the USA. I am in good health and am fully vaccinated against Coronavirus. Also, I have no criminal record in India or the USA, and I am fairly proficient in English. Also, I have more than sufficient funds to sponsor my travel, which includes flight tickets, accommodation, food, and other miscellaneous travel expenses. I have savings amounting to USD 12,000 (CAD 15,024.36), which will be used to meet my expenses in Canada. I have attached my detailed travel itinerary and proof of funds for your kind reference. I request you to kindly process my application as that of a genuine temporary entrant and allow me the chance to visit the vibrant land of Canada.

Sincerely,  
Anchal Verma
