Sub: Application requesting a visitor visa for Auckland, New Zealand

Dear Sir/Madam,

I, hereby introduce myself as Kirti Singh, an Indian citizen bearing passport number xxxxxxxx, working as a Manager at _____ in Malaysia. I have been residing here on a work permit since <add year> to fulfil my employment-related duties. During this course, I have not been able to visit anywhere as I have been a lot occupied with work, and then the pandemic occurred, which led to international flights and movements barring. I am a travel enthusiast and like to explore new places to rejuvenate the passionate traveller inside me. Now that things have settled quite gracefully concerning covid-19 restrictions, I wish to travel to New Zealand, captivated by its natural landscapes and scenic charm.

I am incredibly excited about visiting the mesmerizing beaches and smell the old architecture in Auckland. This country has created a simplistic image in the realm of the city hustle and bustle. Its people are also equally humble and lead a classy yet simple life. I am eager to experience all of this by visiting there. My in-depth research about the tourist attractions has made me finalize visiting the SKY Tower, Auckland Harbours, Hamilton Gardens, Te Papa Museum, and Zealandia Ecosanctuary. Besides this, I am also looking forward to experiencing the ride in Wellington Cable Car during my stay in Wellington. Throughout my stay, I will capture as much of New Zealand as possible in my memories, camera, and, most importantly, my heart to cherish this experiential tour forever.

I have planned a ten days trip to New Zealand from <add date> to <add date and year>. During this time, I will be staying at The Edgerley Suites, 14-16 Edgerley Avenue, Auckland, New Zealand, from <date> to <date>, Quest Nelson, 108-110 Collingwood Street, Nelson, New Zealand, from <date> to <date> and Trinity Hotel Wellington, 166 Willis Street, Wellington, New Zealand from <date> to <date>. The bookings for the hotels mentioned above have been already made by me, and I am rest assured about my place of stay during my short trip to New Zealand.

Considering the funding of my trip, I am a well-to-do professional earning RM xxxxx per annum, approximately NZD xxxxx. Hence, I have no dependency on anyone and can easily afford my upcoming travel plan. Also, I have saved INR xxxxxx (approximately NZD xxxxx), which can be liquidated anytime to offer me financial backing in case of contingency. Furthermore, regarding my financial support system,

my biological family, which includes my father, mother, and siblings, reside in India. We have substantial land and assets to which I am the heir. I am confident that my family will always have my back if I need financial help.

I assure you that I am very satisfied with my employment at _____, Malaysia. Due to my reputable professional relations with my employer and dedication to my work, I am committed to returning to my existing country of residence, Malaysia. Also, per the working norms, I cannot afford to stay away from my employment beyond the authorized leave period, which my employer has sanctioned. So, I will return to Malaysia and resume my duties within the specified period.

The trip to New Zealand will help me rejuvenate from the routine boredom and revitalize me to perform even better personally and professionally. I hope the trip arrives soon so I can make the most out of the scenic beauty and different culture and adapt to more acceptance of the new environment(s).

I request that you allow me a tourist visa for New Zealand so I can prepare ahead for my trip. With full-time employment and related duties in another country, I do not have any hidden motive to visit New Zealand. Instead, I am committed to following all the immigration rules and sticking to them for mutually concerning agreeableness. I have already vaccinated myself against Covid-19, allowing me to fly between international borders. Hence, once again, I put forth my request for allowing me a visa grant. I shall be highly grateful.

Yours Sincerely,
Kirti Singh
